ROESELARE

Roeselare has been the host city for the start of the Dwars door Vlaanderen Men Elite since 2007. And this year is no different. What's new is that this year we will present the riders to you on the Stationsplein. All the more reason to come by train!

PROGRAMME

What's on the programme?

- 10:45:** Men Elite launch presentation on the Stationsplein with a DJ
12:15: Start of the Men Elite on the Stationsplein

Even though we get to experience Dwars door Vlaanderen together again, covid-19 isn't gone completely. That is why the team zone unfortunately will not be accessible to the public. However, you can be on the front row when the starting sign is being given!

HOW TO GET THERE

On foot

The starting zone is easily accessible on foot from the centre of Roeselare. Moreover, this year the train station is literally at the starting site.

By bike

Do you live on the outskirts of Roeselare? Why not get your bike out of the shed and put your best sporting foot forward just like the riders! Roeselare Station has several bike parking facilities without access control. Don't forget your lock so that you can secure your bike and leave it behind safely.

Public transport

The start is right at the station this year, it couldn't be easier! Several trains run per hour from Bruges and Gent-Sint-Pieters to Roeselare. Check the timetable on belgiantrain.be.

By car

Are you coming by car? Please note that parking is not possible in the streets around the Stationsplein and that some car parks are also reserved for the race.

Parking is possible, albeit subject to payment, in the following car parks:

- ▶ **Parking De Munt** – Henri Horriestraat
- ▶ **Moerman car park** – Kleine Bassinstraat
- ▶ **P1 station** - Beversesteenweg

Wheelchair users

Do you want to attend Dwars door Vlaanderen? You can park in the Moermanparking and NMBS-parking. We have provided a zone near the podium.

EXPLORE ROESELARE!

In 2022, Dwars door Vlaanderen will start in Roeselare for the 15th time, and that's no coincidence. Roeselare breathes cycling and sport in general. For example, there are some important sports sites on the city's territory, such as the Defraeye/Sercu cycling track, the Schiervelde Complex and the TraX site, and Roeselare is also home to the KOERS. Museum of Cycle Racing. The museum is an interactive ride through the history of cycling. Its collection includes extraordinary trophies, racing bikes, testimonials and archive footage.

So what makes Roeselare so special when it comes to cycling? Cyriel Van Hauwaert (Paris-Roubaix 1908, Milan-San Remo 1908) and Roeselare local Odiel Defraeye, who became the first Belgian ever to win the Tour in 1912, unleashed a genuine (and lasting) cycling craze in the city. Add to this a series of Roeselare world champions (Benoni Beheydt, Patrick Sercu, Jean-Pierre Monseré, Freddy Maertens, etc.) and you immediately understand why Roeselare has such a special connection with the sport!

Outside the convivial city centre there are many cycling hubs to discover the region at your own pace. In the Sterrebos, which surrounds the beautiful castle of Rumberke, you can imagine yourself in a fairytale setting where enchanting nature and historical monuments converge.

And, since last year, the women start at the Hippodrome. Moreover, this year we are celebrating the 10th edition of the Dwars door Vlaanderen Women Elite. Enough reasons to head to Waregem on Wednesday 30 March!

PROGRAMME

- 10:00:** Women Elite team presentation at the Hippodrome
- 12:00 noon:** Start of the Women Elite at the Hippodrome
- 12:00 noon:** Fan zone at the Hippodrome, with drinks & food, big screen and passage of men and women
- 15:10:** Finish of the Women Elite on the Verbindingsweg
- 17:10:** Finish of the Men Elite on the Verbindingsweg

Even though we get to experience Dwars door Vlaanderen together again, covid-19 isn't gone completely. That is why the team zone unfortunately will not be accessible to the public. However, you can be on the front row at the finish!

HOW TO GET THERE

On foot

The finish is easy to reach by foot from the centre of Waregem. Do you live nearby? Opt to rack up your 10,000 steps walking to and from the race!

By bike

Park your bike at the station: there is a guarded bicycle parking facility two minutes walk from the station and those at the station are also accessible without access control. From the station you can take a bus to the finish zone (more info below). Looking for a place closer to the finish line? There is also a large bicycle parking facility near Regenboog Stadium, on the Zuiderlaan side. Don't forget to bring your lock to secure your bike and leave it behind safely.

Public transport

Trains depart regularly to Waregem from Gent-Sint-Pieters and Gent-Dampoort stations. The journey takes 20 to 30 minutes. Then take bus 7 (Kortrijk – Deinze) to the Waregem Markt stop, just over a kilometre from the finish line. Be sure to check the timetable for trains to Waregem on belgiantrain.be and take the train to the Dwars door Vlaanderen finish line without any parking problems. For more info and tickets for bus 7: delijn.be or purchase an M-ticket via the De Lijn app.

By car

Are you coming by car? Please note that the car parks and streets around the finish line are reserved/closed for the race. Parking is possible in the city centre car parks.

Wheelchair users

Don't want to miss a second of the action in Waregem? You can park in the streets and parkings surrounding the finish area. Parkings reserved for the race convoy are not accessible to the public.

Find out more about mobility and accessibility [here](#).

EXPLORE WAREGEM!

Waregem is as passionate about cycling as it is about horses. You can explore the famous Gaverbeek Hippodrome, discover the role of the horse and the Americans during World War I at the HIPPO.WAR visitor centre and relax in the centrally-located Casier park.

Along the many beautiful cycling and walking routes you will recognise many remains of a rich flax industry, definitely recommended! Waregem has a lot of fine shops and boutiques where you could conclude your visit to the city with some unique finds.

RACE INFORMATION

Are you heading to Knokteberg or to Berg Ten Houte, where Dylan van Baarle attacked last year? Or perhaps you will choose one of the new passages in the circuit? All circuit-related information can be found below.

NEW THIS YEAR

The philosophy of the race has been retained: a short, compact race where the bergs and cobbles follow in quick succession. This year, too, the Knokteberg and Berg Ten Houte are the snipers on duty. However, the course has undergone a number of significant changes. After Berg Ten Houte, the men and the women head to Kanarieberg. The Zeelstraat and Stooktestraat climbs are also new to the men's circuit.

In addition to the middle section, the race finale has been adjusted. Whereas last year it went to Waregem via Kruisberg, Varent and Tiegemberg, the riders now go via Mariaborrestraat, Ladeuze and the Doorn cobblestones in Oudenaarde towards the finale where now first Nokereberg, then the cobblestones of Herlegemstraat and finally Holstraat await.

Choose where you're going to cheer on the riders below. Or do you live along the circuit and only have to open the front door? Then quickly find out what time the race will pass by!

A race with an extra special treat, everyone wants that, right? We think so, which is why we have some fan boxes to give away! All you have to do is register and our partners will ensure that your Dwars door Vlaanderen is extra special.

PACING NERVOUSLY IN FRONT OF THE TV

We know there are two types of cycling fans. Those who don't want to miss a single second of the live action and those who prefer to watch it in their armchair at home. In case you belong to the latter group, be sure to check our list of broadcasters. The broadcast starts at 14:45 (CET). Happy watching!

Thanks to Proximus, you can also follow the women's race **from 12:30** via a live stream on Pickx.be (not geo-blocked). So you certainly don't have to miss a second of the women's **anniversary edition!**

DISCOVER THE REGION

Would you like to find out what there is to experience along the circuit besides the race? Take a look at our tourist guide. Seeing the hotspots might even make you want to cycle through the Flemish Ardennes!

DON'T MISS ANY OF THE ACTION!

Be sure to follow the Dwars door Vlaanderen channels and get an insider's view of the race:

FIANDRE. THE FINEST BALANCE.

Fiandre represents our vision of the perfect balance between racing fit, weather protection, and versatility.

The result is a line that's perfect for racing in adverse or variable conditions. We called it Fiandre, Flanders in Italian, because that's the place where you are most likely to face these conditions.

Be ready for the finest balance.
