# PostNord Danmark Rundt

14.-18. August 2024

## Technical guide

# Hos PostNord har vi omtanke for en grøn fremtid

## Grønnere år for år

Hos PostNord har vi siden 2009 arbejdet mod en grønnere fremtid og reduceret vores CO<sub>2</sub> udledning markant. Det har vi gjort ved bl.a. at energioptimere vores bygninger, bruge grøn strøm, udskiftning af flåden, ruteoptimering og en bedre kapacitetsudnyttelse. Men vi er ikke færdige, og vi har sat et nyt mål om at reducere vores udledning med 40% fra 2020 til 2025.

## Fossilfri i 2030

Vores overordnede mål er at være fossilfri i 2030 og have en emissionsfri last mile senest i 2027. Mange nye initiativer er i gang. Vi tester genbrugelig emballage og grønnere udleveringssteder. Vi investerer løbende i flere elbiler til vores distribution og leverer i dag en stor del af vores pakker emissionsfrit i de større danske byer. En del af vores lastbiler kører på HVO biodiesel eller biogas, og vi arbejder nu også på at elektrificere vores flåde på tung trafik.

**Pakkebiler der kører på ren el**

**Klimabidrag på alle danske pakker**

**Mere end halvdelen af vores post leveres på cykel**

## Anti-doping

The UCI anti-doping regulations are entirely applicable to the event. The anti-doping tests will take place in a mobile house facility, placed just behind the podium for the award ceremony. The organizer reserves the right to refuse riders or teams that might be connected with doping abuse and whose participation therefore would be incompatible with the reputation of the race.

## Radio Tour

Radio Tour is the official tour radio, where all the official information is broadcasted in English. Radio Tour can be reached by all cars and motorbikes in the convoy at the frequency **173.900 MHz**. The teams are responsible for bringing their own radios.

# postnord

## Tusind tak

Tak til alle frivillige, der både før, under og efter PostNord Danmark Rundt, yder en helt fantastisk indsats, når der skal sættes hegn op, sørges for sikkerhed og bespising, skabes god stemning og alt det andet, I sørger for.

Uden jer var der ikke noget cykelløb, så TAK for alt hvad I bidrager med hver især. Vi afvikler sammen Danmarks største sportsbegivenhed til stor tilfredshed for alle parter.

### TAK!
