Welcome to the Copenhagen Sprint

Dear Riders, Team Representatives, and Officials,

It is with great pride that we welcome you to the inaugural edition of the Copenhagen Sprint, a UCI WorldTour event that brings high-speed, top-level racing to Denmark's capital. On June 21st, the elite women will take to the roads, followed by the men's race on June 22nd, promising two days of dynamic and tactical racing at the highest level.

With a start in the historic city of Roskilde, heading on into the countryside and finish off in the heart of Copenhagen, the race highlights Denmark's deep cycling culture. Copenhagen, world-renowned for its cycling-friendly infrastructure, provides the perfect backdrop for this fast and technical event, designed to showcase the power, precision, and strategic brilliance of the world's best sprinters.

More than just a race, Copenhagen Sprint is a celebration of cycling—a tribute to the role bicycles play in daily life. From promoting health and well-being to fostering greener mobility and vibrant urban communities, cycling is at the heart of Copenhagen's identity. This event not only showcases elite competition but also honors the everyday riders who make Denmark one of the world's great cycling nations.

Denmark has a strong tradition of hosting world-class cycling events, from the Tour de France Grand Départ to the UCI Road World Championships, and we take great pride in delivering an event that meets the highest international standards. Every detail has been carefully planned to ensure a thrilling spectacle for fans while prioritizing fairness and rider safety.

We extend our gratitude to the teams, officials, volunteers, and partners who have made this event possible. Your dedication is essential to the success of the Copenhagen Sprint, and we look forward to an unforgettable competition.

On behalf of the entire organizing team, we wish all participants the best of luck and a fantastic race experience.

Welcome to Roskilde

The city of Roskilde

As Mayor of the historical city and municipality of Roskilde, I welcome you to our beautiful sites and hope you will find time to visit us again.

Roskilde is one of the oldest cities in Denmark with a unique cultural heritage and beautiful surroundings. The history of the city dates back to the Viking Age – and for centuries, the city was the capital and the heart of Denmark.

What is Roskilde?

The Municipality of Roskilde and the entire local community have the capacity to host a MEGA event like Copenhagen Sprint world tour race, because of the experience gained through our internationally known and renowned music festival – The Roskilde Festival – which each year attracts about 130,000 colorful guests to the city. The city also uses and benefits from the experience gained in connection with the festival when hosting other international cultural events and sports events such as Tour de France in 2022. July 2nd.. Roskilde has an ambition of being a major event city and are setting our standards high as we welcome both the UCI World Tour Copenhagen Sprint for the coming years and even more when we will host the UCI Cycling World Championships 2029. We are thrilled to give the audience the possibility to visit our historical and cultural city.

I hope you have a pleasant start in Roskilde and enjoy the surroundings by the harbor and fjord, the lane through our city, and look forward to see you again the coming years of excellent bicycle races.

Tomas Breddam
Mayor of Roskilde

Welcome to Copenhagen

-our city of cycling

The City of Copenhagen is tremendously proud to welcome you to Copenhagen Sprint. Copenhagen Sprint is not just a World Tour race – it's a celebration of our love of cycling.

In Copenhagen cycling is a part of our everyday lives. We ride our bikes to school, work and kindergarten. And we look forward to sharing our love and great culture of cycling with you at Copenhagen Sprint.

When you reach the circuit in Copenhagen, you will not only experience a vibrant capital, but you will also be sharing the road with thousands of Copenhageners who use their bicycles to ride across the city every day. The circuit will for instance take you by Dronning Louises Bro (Queen Louise's Bridge), where over 40.000 cyclists pass every day.

Copenhagen Sprint will be a grand public celebration of Copenhagen's cycling culture, welcoming families with children, cycling enthusiasts, everyday cyclists, and visitors to the city. All of whom get the chance test the circuit in a free public ride before the elite riders will sprint for victory. Whether enthusiastic, amateur or professional, we invite you all to take part in the celebrations throughout Copenhagen.

As a proud citizen and lord mayor, I am extremely excited to welcome you to a weekend of world class cycling. I sincerely hope that you will enjoy the race and have a wonderful stay in our beautiful city.

Lars Weiss
Lord Mayor of Copenhagen
