CINEY AND HUY

► CINEY

Welcome to our beautiful city of Ciney! Capital of the Condroz, the city of Ciney is ideally located, both in the centre of a rapidly expanding tourist region between Durbuy, Rochefort and Dinant, and en route to the Ardennes, served by the N4 national road and the E411 motorway. Ciney is also made up of eight picturesque villages, and is situated within a beautiful green setting, the Condroz. Ciney is a countryside city with more than 17,000 inhabitants. In addition to its rural character, Ciney also offers all the benefits of the city thanks to the many services available to its citizens. The Collégiale church is the city's symbol. It overlooks Place Monseu, often considered the heart of Ciney life. This is where its remarkable bandstand takes centre stage. It is now considered one of the most beautiful bandstands in Wallonia. Place Monseu is where the city's major cultural events and popular festivals still take place. Ciney is also on the map of Wallonia thanks to its significant teaching network. It has several educational institutions stemming from different educational structures. Its economic development is on the rise: the existing Condrols business park has just expanded by some 50 hectares. Nearly 100 companies are expected to set up in the short term. This is not the first time that Ciney has celebrated cycling. In 1970, a Tour de France stage start took place in the Condroz capital. What's more, that year's winner of the Tour went on to become the greatest Belgian cyclist of all time: the one and only Eddy Merckx. The City of Ciney dreams of hosting a stage start or finish for the Grande Boucle in the near future!

◼ HUY

La Flèche Wallonne and Huy: 40 years of shared history. The romance between Huy and cycling began in August 1869 with an event during the city's annual fair. A velodrome was built there in 1919, ahead of La Flèche Wallonne passing through Huy for the first time in 1936. Huy became a finish city in 1983, with the finishing line on Quai d'Arona, on the banks of the Meuse. The «Mur de Huy», which will forever be a focal point for the Ardennes Classics, was the La Flèche Wallonne finish for the first time in 1985, and has been ever since. What's more, the Women's race also went on to set up base there from 1998. While the inhabitants of Huy are proud to host this event every year, the Tour de France has also passed through the city on several occasions: in 1995, 2001, 2006 and 2015. These were memorable editions for the people of Huy, who are always looking forward to hosting others. In 2025, La Flèche Wallonne is offering a new opportunity for cycling enthusiasts, as well as all those who love to join in with the sporting buzz, to experience the magic of this event. The three laps by the male riders and the two laps by the women's peloton will provide many opportunities to feel the passion, determination and effort deployed to conquer the legendary Mur de Huy, with its 900 metres of elevation gain. Huy therefore continues to join in this true celebration of cycling, year after year. La Flèche Wallonne in Huy is more than just a race, it's living history, filled with pride!

Anti-doping tests shall be carried out under the authority of the UCI and designated officials, at the race finish. A.S.O. and each of the participating teams shall deem it an absolute necessity to ensure strict compliance with the rules and recommendations laid down by the relevant authorities with regard to combating doping, and to maintain an absolutely irreproachable line of conduct in this regard. Participating teams shall undertake to apply said rules and recommendations, and they shall be wholly responsible for the strict adherence to these rules and recommendations by their riders and, more generally, by their staff and service providers.

ARTICLE 13. ENVIRONMENT

A.S.O. shall set up collection zones for recovering waste. Riders must only dispose of their waste, water bottles or any other objects in these specially designated zones, as provided for in article 2.3.025 of the UCI regulations. Riders and support staff must behave responsibly with regard to the environment in all circumstances and respect the legal provisions in force.

ARTICLE 14. DISQUALIFICATION EXCLUSION

14.1 A.S.O. considers the preservation of its image and its reputation, and of those of its event, to be of the utmost importance. A.S.O. expressly reserves the right to refuse participation in - or to exclude from - the event any team, or members of a team, whose presence would be likely to tarnish the image and/or reputation of A.S.O. and/or the event.

14.2 Furthermore, A.S.O. may exclude from the event any team or any of its members in the following cases:

- a breach of the event's rules, including those concerning the event's internal rules; • a serious breach of Belgian law; • customs' fraud; • breach of the health measures taken to combat the spread of the SarsCoV-2 virus (COVID-19).

14.3 The right of disqualification or exclusion pursuant to sections 14.1 and 14.2 above shall be exercised under the following conditions: a) A.S.O. shall notify the team of its decision in writing, either by registered letter with acknowledgement of receipt, or by letter delivered personally with receipt, or by fax or email. This letter must: • specify whether the disqualification or exclusion is linked to the presence of the entire team or the presence of any of its members, as designated individually by name; • specify that, in the event that the disqualification or exclusion is linked to the presence of any of its members, as designated individually by name, the team, in its capacity as an employer, shall withdraw the member(s) concerned from their team or, by default, waive the right of the entire team to participate in the event; • state the grounds on which the decision is based; • state that, to challenge this decision, the team will have a period of 24 (twenty-four) hours from receipt of the letter of disqualification or exclusion to refer the matter to the Court of Arbitration for Sport ("CAS") in Lausanne; failing which, the team will be deemed to have accepted the disqualification or exclusion. b) If the team lodges an appeal against the decision, the CAS shall immediately appoint a single arbitrator under the expedited procedure as per the Rules of Procedure of the CAS. After calling each party to evaluate its case, the arbitrator shall decide, within the time limits imposed, whether there are grounds to disqualify or exclude the entire team or any of its members.

The language of arbitration shall be French. The arbitration decision shall be final and binding.

ARTICLE 15. IMAGE RIGHTS

In order to enable the promotion of LA FLÈCHE WALLONNE as widely as possible, each team, and therefore, each rider within the teams, acknowledges that participation in the competition grants the organiser and its beneficiaries or legal representatives the right to reproduce and represent, without any compensation whatsoever, their names, voices, images, biographies and more generally, their sporting performance, within the framework of LA FLÈCHE WALLONNE as well as the brand(s) of their equipment manufacturers and sponsors, in any form and on any current or future medium, and in any format, for any public communication anywhere in the world, for any purpose including promotional and / or commercial use, without any limitations other than those stated hereinafter, and for the entire duration of the protection currently given to these operations by the laws or regulations, the judicial and / or arbitration decisions of any country, and any current or future international conventions, including any extensions that may be made to this duration. However, when the organiser authorizes a third party to use images of the event for advertising or promotional purposes, it shall not authorize said third party to use the name, voice, image, biography or sporting performance of a competitor nor the brand of their sponsor or equipment manufacturer with a view to a direct or an indirect association between this rider, the brand of their sponsor or equipment manufacturer, on the one hand, and the product, the service, the brand or trade name of said third party, on the other, without the express authorization of the competitor, sponsor or equipment manufacturer concerned. Similarly, with the exception of books, photo books, comics, any form of publishing, video cassettes, CD-ROMs, DVDs or, more generally, any video recordings or videos on any medium and in any format whatsoever, whose subject involves, wholly or partially, LA FLÈCHE WALLONNE, such as posters, displays, log books, auto-graph books, maps and official programmes for LA FLÈCHE WALLONNE, the organiser shall not use and shall not authorize the use of the individual image of a rider within the framework of the marketing of tie-in merchandising products.

ARTICLE 16. SPORTS BETTING

In order to avoid any risk of a conflict of interest, the teams and each of their members (riders, management personnel, trainers, doctors, etc.) are prohibited from placing bets, on a personal basis, either directly or through an intermediary, on the race.

ARTICLE 17.

These regulations have been drafted in French. The French version shall take precedence in the event of difficulties in the interpretation of its terms in another language.
