Welcome to the 2025 edition of the Lloyds Tour of Britain Men.

This year's race will see us visiting six new venues across England and Wales, as well as returning to some old favourites that have made for some fantastic racing over past editions of the race. With the variety of routes, from our start in Suffolk, across the heart of England, to the two challenging days in south Wales to end the Lloyds Tour of Britain Men, we fully expect this to be another action-packed race that will go right down to the line in Cardiff.

Our thanks go to the many stakeholders across the six stages, whose support has made this year's Lloyds Tour of Britain Men possible, and to the many officers working hard behind the scenes in each of the regions we visit, through to our commercial partners, headlined by Lloyds, now in their second year as our title sponsors.

We are delighted to be welcoming an incredible line-up of teams to the race this September, especially so many who have a rich history of having previously won the Lloyds Tour of Britain Men. It bodes well for a highly competitive and very open race once again.

Finally, whatever your role on the Lloyds Tour of Britain Men, this manual is an essential resource to aid you ahead of, and throughout, the event. We have a dedicated team on hand during the event to help with any questions or information that you may need, so please don't hesitate to contact them if there is anything you need.

On behalf of the whole British Cycling Events team behind the race, I would like to wish you all a safe, successful, and enjoyable Lloyds Tour of Britain Men.
