Welcome to the 2025 edition of the Lloyds Tour of Britain Women that will once again be a part of the UCI Women's WorldTour, and the only event of its kind in the UK.

We are looking forward to four entirely new stages to the race and our first visits to Dalby Forest and the North York Moors National Park, the Tees Valley, the Scottish Borders, and Glasgow, as we bring the race to new communities across the north of England and Scotland.

Our thanks go to the many stakeholders across the four stages, whose support has made this year's Lloyds Tour of Britain Women possible, and to the many officers working hard behind the scenes in each of the regions, through to our commercial partners, headlined by Lloyds, now in their second year as our title sponsors.

We are delighted to be welcoming an incredible line-up of teams to the race this June, headlined by our 12 UCI Women's WorldTour teams, but also including all our British UCI teams – all of whom I know will be keen to make an impression racing on home roads in front of their fans.

To all the competing teams, staff, and riders coming to Britain for the Lloyds Tour of Britain Women, we offer a warm welcome and wish you every success, in what will be a hotly contested race to be crowned champion in Glasgow.

Finally, whatever your role on the Lloyds Tour of Britain Women, this manual is an essential resource to aid in your planning and preparation for the event, so we encourage you to review it thoroughly. We have a dedicated team on hand during the event to help with any questions or information that you may need, so please don't hesitate to contact them if there is anything you need.

On behalf of the whole British Cycling Events team behind the race, I would like to wish you all a safe, successful, and enjoyable Lloyds Tour of Britain Women.
