IT IS a landmark year for Le Tour de Langkawi, which celebrates its 30th edition in 2026.

This milestone anniversary reflects the excellent organisation, popularity and high level of an event that has played a defining role in shaping the growth of cycling in Malaysia and across the region.

For this, I extend my warmest congratulations to the stage race's organisers, partners, officials and all those whose dedication and hard work have contributed to this achievement.

Since its inaugural edition in 1996, Le Tour de Langkawi has grown from an ambitious regional initiative into one of Asia's most prestigious professional stage races and a valued fixture on the UCI International Calendar. Its lasting success reflects Malaysia's steadfast commitment to the development of cycling and its ability to deliver events of the highest international standard.

The Le Tour de Langkawi not only attracts teams from abroad but also plays a significant role in the development of local athletes. For many emerging Malaysian and Asian cyclists, Le Tour de Langkawi provides a unique opportunity to compete alongside some of the world's finest professional teams. It also motivates spectators to cycle themselves. Indeed, this Malaysian event is as an outstanding example of how cycling can inspire communities, develop future champions, and create a meaningful and enduring legacy.

I would like to congratulate the Malaysian National Cycling Federation under the leadership of Dato' Amarjit Singh Gill Darshan Singh, UCI Vice-President and President of Asian Cycling Confederation, for welcoming this event and for their continuous work to develop the sport of cycling in Malaysia and across Asia.

On behalf of UCI, I extend my best wishes to the riders, teams, officials and organisers for a rewarding and memorable eight days of racing at the 2026 Le Tour de Langkawi. You are all part of an event that not only celebrates three decades of excellence but also begins a new and exciting chapter.

Good luck!
